Developer update

Hi Developers at IASEXCEL,

This is a notification that your Google Play Developer account has been terminated.

**Reason for termination:** Violations of the [Developer Program Policies](#) and [Developer Distribution Agreement](#).

As explained in our [Enforcement Process](#), repeated or serious violations of our policies may result in the termination of your Google Play Developer account and related Google Play Developer accounts.

You can visit the [Developer Policy Center](#) to better understand how we enforce Developer Program Policies. If you've reviewed the policy and feel this termination may have been in error, please reach out to our [policy support team](#).

Please do not attempt to register a new developer account. We will not be restoring your account at this time.
